Profile Summary

Computer Science Engineering (AI & ML) student with hands-on experience in Full Stack Web Development and AI-powered applications. Skilled in developing scalable web solutions using MERN stack, integrating AI APIs, and building user-centric applications. Strong leadership background through NCC and proven problem-solving abilities demonstrated through competitive coding and hackathons.

Technical Skills

Languages: Python, C, C++

Frontend: HTML, CSS, JavaScript, React.js

Backend: Node.js, Express.js

Database: MongoDB, MySQL

AI/ML Tools: Gemini API, Whisper, Gradio, Streamlit

Tools: Git, GitHub, VS Code

Education

Roorkee Institute of Technology

B.Tech Computer Science Engineering (AI & ML) | CGPA: 6.67

Expected 2027

Roorkee, Uttarakhand

Sun Shine Public School

Senior Secondary (PCM) | 75.6%

2022

Uttar Pradesh

Sun Shine Public School

Experience

• Arcoiris Logics – Technical Intern

Jul 2025 – Sept 2025

- Developed full-stack web applications including social media platforms and portfolio websites.
- Worked on frontend-backend integration, API handling and database management.
- Collaborated remotely with development teams following industry practices.

Projects

• GramConnect AI

Live

- Built a full-stack AI-powered rural governance platform with both web and mobile application support.
- Implemented grievance management and government scheme assistance.
- Utilized modern web technologies and AI integration to enhance citizen-government communication.

• Postify – Social Media App

Live

- Built a modern social networking platform for creating and sharing posts.
- Implemented user interaction and engagement features using MERN stack.

• AI Rasoi

GitHub

- Developed an AI-powered recipe generator using Gemini API and Streamlit.
- Integrated voice and image-based input for personalized recipe suggestions.

• NCC RIT Portal

Live

- Created an information portal for NCC activities, gallery and student queries.
- Improved accessibility and communication for NCC cadets and students.

Leadership & Activities

- Serving as Senior Under Officer (SUO) in National Cadet Corps (NCC) since Sep 2023.
- Leading and mentoring NCC cadets while coordinating training and leadership activities.

Certifications

- Python Basics – HackerRank
- Cybersecurity – Cisco
- HackIndia 2025 Hackathon Participation

Achievements

- Solved 266+ Data Structures & Algorithms problems on coding platforms.
- Completed HackerRank 30 Days of Code Challenge.
- Earned proficiency badges in Python, C++ and C on HackerRank.
- Secured Top 5 position among 97 teams in HackIndia 2025 Hackathon.
- Successfully completed NCC C Certificate with A Grade.
